<b>kicked off the current system</b>					
In November 2018, Minister Lisa MacLeod announced a new exemption/ clawback system. In October 2019, the new Minister Todd Smith, decided not to implement it. On it, those living on ODSP would have been slightly better off up until earning \$1,101/month. Then, worse off, and also kicked off earlier, i.e. when earning \$2,059/month.
